Welcome to The Lodge Cottage

The Lodge Cottage has masses of character and a particular welcoming feel to it. Nestled in the heart of the old village, the cottage offers versatile accommodation over three floors. It has a safe and secure garden with BBQ and garden furniture. Only 500 yards from the beach, coastal footpath and Hunstanton Golf course, it is an ideal all year around location. The local nearby pub, The Lodge is perfect for informal dining. The village shop is next door where you can get your newspapers and order fresh bread and croissants for breakfast.

The 5 star accommodation is spacious; the ground floor has an open plan kitchen with dining area and tv lounge. There is a large upstairs lounge with south facing balcony. Both lounges have gas flame fires. There are three double bedrooms with luxury sprung mattresses and bases which can be super king size beds or made up as twins. The cottage has a separate wc, main bathroom and shower room.

Out and about there is so much to do; Norfolk has several historical houses nearby including Sandringham. There are some spectacular beaches to choose from. The scenic coastal footpath starts at Hunstanton and goes all the way to Cromer. Two links golf courses to challenge the best of golfers. RSPB & NOA reserves within 15 minutes drive. The market towns of Hunstanton, Burnham Market, Fakenham and Kings Lynn are great for browsing around.
